

$$234 - 181 = \underline{\quad}$$

[S24] Difference between two 3-digit numbers

$$341 - 182 = \underline{\quad}$$

[S24] Difference between two 3-digit numbers

$$464 - 258 = \underline{\quad}$$

[S24] Difference between two 3-digit numbers

$$747 - 268 = \underline{\quad}$$

[S24] Difference between two 3-digit numbers

$$834 - 355$$

[S24] Difference between two 3-digit numbers

$$343 - 126 = \underline{\quad}$$

[S24] Difference between two 3-digit numbers

$$642 - 267 = \underline{\quad}$$

[S24] Difference between two 3-digit numbers

$$431 - 254 = \underline{\quad}$$

[S24] Difference between two 3-digit numbers

$$237 - 119 = \underline{\quad}$$

[S24] Difference between two 3-digit numbers

$$231 - 189 = \underline{\quad}$$

[S24] Difference between two 3-digit numbers

$$165 - 78 = \underline{\quad}$$

[S24] Difference between two 3-digit numbers

$$281 - 167 = \underline{\quad}$$

[S24] Difference between two 3-digit numbers

$$342 - 157 = \underline{\quad}$$

[S24] Difference between two 3-digit numbers

$$651 - 342 = \underline{\quad}$$

[S24] Difference between two 3-digit numbers

$$654 - 288 = \underline{\quad}$$

[S24] Difference between two 3-digit numbers

$$535 - 184 = \underline{\quad}$$

[S24] Difference between two 3-digit numbers

$$547 + \underline{\quad} = 750$$

[S24] Difference between two 3-digit numbers

$$233 + \underline{\quad} = 400$$

[S24] Difference between two 3-digit numbers

$$422 + \underline{\quad} = 561$$

[S24] Difference between two 3-digit numbers

$$428 + \underline{\quad} = 553$$

[S24] Difference between two 3-digit numbers

$$331 + \underline{\quad} = 550$$

[S24] Difference between two 3-digit numbers

$$442 + \underline{\quad} = 700$$

[S24] Difference between two 3-digit numbers

$$254 + \underline{\quad} = 430$$

[S24] Difference between two 3-digit numbers

$$363 + \underline{\quad} = 440$$

[S24] Difference between two 3-digit numbers

$$527 + \underline{\quad} = 715$$

[S24] Difference between two 3-digit numbers

$$242 + \underline{\quad} = 821$$

[S24] Difference between two 3-digit numbers

$$254 + \underline{\quad} = 531$$

[S24] Difference between two 3-digit numbers

$$469 + \underline{\quad} = 845$$

[S24] Difference between two 3-digit numbers

$$321 + \underline{\quad} = 610$$

[S24] Difference between two 3-digit numbers

$$536 + \underline{\quad} = 813$$

[S24] Difference between two 3-digit numbers

$$252 + \underline{\quad} = 730$$

[S24] Difference between two 3-digit numbers

$$606 + \underline{\quad} = 910$$
